

8. TRAFFIC COMMISSION INITIATED BUSINESS

Commissioner Murphy shared the following

- Issue of bottlenecking concern northbound on Los Alamitos Boulevard going past Katella Avenue
- Safety concern on Walnut Street, traffic on Oak Street double parking and kids biking/skating in the center median/lane

Chair Mejia shared the following

- Follow up concern of the crosswalk at the corner of Florista Street and Kyle Street
- Decorative poles on Lexington Drive going southbound from Katella Avenue, the first and fifth pole are out and if they are City or Edison.
- Any change on street sweeping in regards to the upcoming street projects that are coming up
- Noticed the city doing a lot of red curb and with it getting darker, they are more noticeable.
