A. Findings Required by AB 361 for the Continued Use of Teleconferencing for Meetings

For the Traffic Commission to continue to have the option to meet via teleconference during the pandemic, AB 361 requires the Traffic Commission to make specific findings at least every thirty (30) days.

Recommendation:

Make the following findings by a majority vote of the Traffic Commission:

1. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect;
2. The Traffic Commission has reconsidered the circumstances of the state of emergency; and
3. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

B. Approve the Minutes for the Regular Meeting of August 10, 2022

6. STAFF REPORTS

A. Traffic Order Item 22-03 (Development Services)

In August 2022, the Code Enforcement Division received requests from local business owners to restrict overnight vehicles from parking on various City streets. The Code Enforcement Division investigated the request and verified that numerous commercial vehicles are parked on Humbolt Street, Calle Lee Avenue, and Corporate Center Drive. Staff is recommending restricting overnight vehicle parking according to Los Alamitos Municipal code section 10.24.090.

Recommendation:

1. Consider and discuss restricting overnight commercial vehicle parking on Humbolt Street, Calle Lee Avenue, and Corporate Center Drive.

2. Approval of staff recommendation to restrict overnight commercial vehicle parking on Humbolt Street, Calle Lee Avenue, and Corporate Center Drive in accordance to Los Alamitos Municipal code section 10.24.090.

B. Traffic Commission Status Log

At this time, Commissioners may report on items not included on the agenda, but no such matter may be discussed, nor may any action be taken in which there is interest to the community, except as to provide Staff direction to report back or to place the item on a future agenda.

7. ITEMS FROM THE DEVELOPMENT SERVICES DEPARTMENT

8. TRAFFIC COMMISSION INITIATED BUSINESS

At this time, Commissioners may report on items not included on the agenda, but no such matter may be discussed, nor may any action be taken in which there is interest to the community, except as to provide Staff direction to report back or to place the item on a future agenda.

9. ADJOURNMENT

I hereby certify under penalty of perjury under the laws of the State of California, that the foregoing Agenda was posted at the Los Alamitos City Hall, 3191 Katella Ave. and online at www.cityoflosalamitos.org not less than 72 hours prior to the meeting.

TRAFFIC COMMISSION AGENDA REPORT

MEETING DATE: September 14, 2022

ITEM NUMBER: 5A

To: Chair R. Hill & Members of the Planning Commission

Presented By: Ron Noda, Development Services Director

**Subject: Findings Required by AB 361 for the Continued Use of
Teleconferencing for Meetings**

SUMMARY

For the Traffic Commission to continue to have the option to meet via teleconference during the pandemic, AB 361 requires the Traffic Commission to make specific findings at least every thirty (30) days.

RECOMMENDATION

Make the following findings by a majority vote of the Traffic Commission:

1. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect;
2. The Traffic Commission has reconsidered the circumstances of the state of emergency; and
3. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

BACKGROUND

Assembly Bill 361 (AB 361) was signed into law by the Governor on September 16, 2021. A portion of AB 361 enacted amendments to California Government Code section 54953 regarding teleconference meetings. Those amendments authorize local agencies, like the City, to continue to conduct meetings by teleconference during a Governor-proclaimed state of emergency provided that certain findings are made by the legislative body, and provided that certain procedural requirements are met regarding public access to the meetings. A "teleconference" occurs for purposes of AB 361 whenever one or more members of the City Council connect to a City Council meeting via electronic means. Thus, even if four members of the City Council meet in person, if the fifth joins the meeting via Zoom, the meeting will be a teleconference meeting that must be conducted in accordance with the requirements of AB 361. For purposes of AB 361 "... 'state of emergency' means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act..." Cal. Gov't Code Sec. 54953(e)(4). Section 8265 of CESA in turn refers to a state of emergency proclaimed by the Governor.

A new requirement in AB 361 requires specific findings be reaffirmed at least every thirty (30)

days in order for the Traffic Commission to continue to have the option for one (1) or more of its members to use teleconferencing.

DISCUSSION

Required Findings

The teleconference provisions in AB 361 may only be utilized as long as a Governor-proclaimed state of emergency remains active, or while state or local officials have recommended measures to promote social distancing. When either of those is the case (both are true at this time), then in order to continue to teleconference using the new provisions of AB 361, the Traffic Commission must make the following findings by majority vote every 30 days:

(A) The Traffic Commission has reconsidered the circumstances of the state of emergency; and

(B) Either of the following circumstances exist:

1. The state of emergency continues to directly impact the ability of the members to meet safely in person; or
2. State or local officials continue to impose or recommend measures to promote social distancing (Cal Gov't Code Sec. 54953(e)(3)).

To comply with that requirement, the recommended action would have the Traffic Commission find each of the following:

1. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect;
2. The Traffic Commission has reconsidered the circumstances of the state of emergency; and
3. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

The "Every 30 Days Thereafter" Requirement

As noted above, AB 361 findings must be made "no later than 30 days after teleconferencing for the first time pursuant to , and every 30 days thereafter..."

In order to preserve the option for the Traffic Commission or individual members of the Traffic Commission to participate in meetings during the pandemic via teleconference in the future, the Traffic Commission will have to adopt the required findings at least every 30 days.

Potential Consequence of Not Making the Findings Every 30 Days

AB 361 does not expressly state what happens if a legislative body fails to make the required findings "every 30 days." However, it expressly requires the timely re-approval of the findings "in order to continue to teleconference" in the manner that AB 361 authorizes.

As a result, if the Traffic Commission does not adopt the required findings every 30 days, then

the Traffic Commission could be precluded from continuing to teleconference thereafter, perhaps even if the Traffic Commission was later willing to adopt the findings at a later date. For this reason, the City Attorney recommends that the Traffic Commission adopt the required findings at this time and at least every 30 days thereafter, unless the Traffic Commission decides as a permanent matter that it will no longer permit teleconferencing at all (e.g., regardless of whether the state of emergency worsens).

Procedural Requirements for The Conduct of Teleconference Meetings

AB 361 contains several new requirements for the conduct of teleconference meetings with which the City has prepared to comply. Specifically, each meeting must:

1. Allow members of the public to attend and comment at the meeting via call-in option or internet-based service option;
2. Protect the statutory and constitutional rights of the parties and the public appearing before the legislative body;
3. In the event of disruption which prevents broadcasting the meeting or which prevents members of the public from offering public comments via the call-in or internet-based option, the Traffic Commission must take no further action until the disrupted public access is restored;
4. The City may not require public comments to be submitted in advance, and must offer the opportunity for the public to offer comments “in real time” during the meeting; and
5. The public must be allowed “a reasonable amount of time per agenda item to allow members of the public to provide public comment, including time for members of the public to register , or otherwise be recognized for the purpose of providing public comment.

FISCAL IMPACT

None.

Commissioner D. Hill asked about the summer concert date.

Chair R. Hill encouraged those to attend the summer concert and he asked about the street project.

8. TRAFFIC COMMISSION INITIATED BUSINESS

Vice Chair Patz shared about a portion of the red curb painting on Humbolt Street and San Joaquin Avenue.

Chair R. Hill shared about trees that were getting hit on the median going south on Los Alamitos Boulevard between Rossmoor Way and Bradbury Road.

Commissioner D. Hill shared of leftover tree trimming along Los Alamitos Boulevard.

Commissioner Mejia asked about an update on the Traffic Commission Status Log items A7 and A36. He then mentioned the crosswalk on Kyle Street and Florista Street.

Chair R. Hill added the area on Los Alamitos Boulevard (northbound) past Sausalito Street going towards Cerritos Avenue to make a right turn lane as a traffic safety issue.

Development Services Director Noda shared that Traffic Engineer Iranitalab is looking into the right turn lanes within the City. As for the crosswalk on Kyle Street and Florista Street, he and City Engineer Kelley will look into adding it to the Street Striping project.

Vice Chair Patz shared the following:

- Northbound Los Alamitos Boulevard about 15-20 yards before [eastbound] Cerritos Avenue is striped with prints on the road that allows for a right turn lane
- Going cross Cerritos Avenue [on Los Alamitos Boulevard] passing the school (Los Alamitos High School) the lanes go from three to two
- An issue on Los Alamitos Boulevard and Florista Street in regard to the right turn lane.

Vice Chair Patz asked City Engineer Kelley about having the white rubberized barriers to use in the right turn lane. City Engineer Kelley shared that staff would need to check with Traffic Engineer Iranitalab.

9. ADJOURNMENT

Motion/Second: Patz /Murphy

Carried 6/0: The Traffic Commission unanimously voted to adjourn the meeting until September 14, 2022.

TRAFFIC COMMISSION AGENDA REPORT

MEETING DATE: September 14, 2022

ITEM NUMBER: 6A

To: Chair R. Hill & Members of the Planning Commission

Presented By: Ron Noda, Development Services Director

Subject: Traffic Order Item 22-03

SUMMARY

In August 2022, the Code Enforcement Division received requests from local business owners to restrict overnight vehicles from parking on various City streets. The Code Enforcement Division investigated the request and verified that numerous commercial vehicles are parked on Humbolt Street, Calle Lee Avenue, and Corporate Center Drive. Staff is recommending restricting overnight vehicle parking according to Los Alamitos Municipal code section 10.24.090.

RECOMMENDATION

1. Consider and discuss restricting overnight commercial vehicle parking on Humbolt Street, Calle Lee Avenue, and Corporate Center Drive.
2. Approval of staff recommendation to restrict overnight commercial vehicle parking on Humbolt Street, Calle Lee Avenue, and Corporate Center Drive in accordance to Los Alamitos Municipal code section 10.24.090.

BACKGROUND

In May 2022, the Code Enforcement Division received numerous requests from business owners to investigate commercial vehicles parking overnight on Portal Drive and Noel Street. After a field review was conducted over several days, the Code Enforcement Division determined it is appropriate that signs be installed on Portal Drive and Noel Street to alert drivers of Municipal Code section 10.24.090. Los Alamitos Municipal Code Section 10.24.090 states that "No person shall park any vehicle of twenty-two (22) feet or more in length, or any recreational item, upon any street or alley between the hours of two a.m. and six a.m." A traffic order was submitted for the installation of No Overnight Parking for Commercial Vehicles signs on Portal Drive and Noel Street.

DISCUSSION

After installing the No Parking Signs on Portal Drive and Noel Street in June 2022, the commercial vehicle parking shifted to Humbolt Street, Calle Lee Avenue, and Corporate Center Drive (pictured below in purple) and began parking overnight.

Business owners on Humbolt Street, Calle Lee Avenue, and Corporate Center Drive submitted a request to the Code Enforcement Division in August 2022 to investigate commercial vehicle parking overnight. A field review was conducted and determined it is appropriate that signs be installed to alert drivers of Municipal Code section 10.24.090.

FISCAL IMPACT

Labor and supplies to install signage will be approximately \$1,000 and taken out of the Development Services Budget - FY 2022/2023.
