COMMISSION AGENDA REPORT

MEETING DATE: March 2, 2022

ITEM NUMBER: 6A

To: Chair Alexander Duran & Members of the Parks, Recreation and Cultural Arts Commission

Presented by: Emeline Noda, Director of Recreation & Community Services

Subject: Findings Required by AB 361 for the Continued Use of Teleconferencing for Meetings

SUMMARY

For the Parks, Recreation & Cultural Arts Commission to continue to have the option to meet via teleconference during the pandemic, AB 361 requires the Parks, Recreation & Cultural Arts Commission to make specific findings at least every thirty (30) days.

RECOMMENDATION

Make the following findings by a majority vote of the Parks, Recreation & Cultural Arts Commission:

- a. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect;
- b. The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and
- c. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

BACKGROUND

Assembly Bill 361 (AB 361) was signed into law by the Governor on September 16, 2021. A portion of AB 361 enacted amendments to California Government Code section 54953 regarding teleconference meetings. Those amendments authorize local agencies, like the City, to continue to conduct meetings by teleconference¹ during a Governor-proclaimed

¹ A "teleconference" occurs for purposes of AB 361 whenever one or more members of the Parks, Recreation & Cultural Arts Commission connect to a Parks, Recreation & Cultural Arts Commission meeting via electronic means. Thus, even if four members of the Parks, Recreation & Cultural Arts Commission meet in person, if the fifth joins the meeting via Zoom, the meeting will be a teleconference meeting that must be conducted in accordance with the requirements of AB 361.

state of emergency² provided that certain findings are made by the legislative body, and provided that certain procedural requirements are met regarding public access to the meetings.

A new requirement in AB 361 requires specific findings be reaffirmed at least every thirty (30) days in order for the Parks, Recreation & Cultural Arts Commission to continue to have the option for one (1) or more of its members to use teleconferencing.

DISCUSSION

Required Findings

The teleconference provisions in AB 361 may only be utilized as long as a Governor-proclaimed state of emergency remains active, or while state or local officials have recommended measures to promote social distancing. When either of those is the case (both are true at this time), then in order to continue to teleconference using the new provisions of AB 361, the Parks, Recreation & Cultural Arts Commission must make the following findings by majority vote every 30 days:

(A) The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and

(B) Either of the following circumstances exist:

- (i) The state of emergency continues to directly impact the ability of the members to meet safely in person; or
- (ii) State or local officials continue to impose or recommend measures to promote social distancing³.

To comply with that requirement, the recommended action would have the Parks, Recreation & Cultural Arts Commission find each of the following:

- a. A state of emergency has been proclaimed by California's Governor due to the COVID-19 pandemic, and continues to be in effect;
- b. The Parks, Recreation & Cultural Arts Commission has reconsidered the circumstances of the state of emergency; and
- c. State and local officials continue to recommend measures to promote social distancing to slow the spread of COVID-19.

The "Every 30 Days Thereafter" Requirement

As noted above, AB 361 findings must be made "no later than 30 days after teleconferencing for the first time pursuant to [AB 361], and every 30 days thereafter..."

² For purposes of AB 361 "...state of emergency' means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act..." Cal. Gov't Code Sec. 54953(e)(4). Section 8265 of CESA in turn refers to a state of emergency proclaimed by the Governor

³ Cal Gov't Code Sec. 54953(e)(3)

In order to preserve the option for the Parks, Recreation & Cultural Arts Commission or individual members of the Parks, Recreation & Cultural Arts Commission to participate in meetings during the pandemic via teleconference in the future, the Parks, Recreation & Cultural Arts Commission will have to adopt the required findings at least every 30 days.

Potential Consequence of Not Making the Findings Every 30 Days

AB 361 does not expressly state what happens if a legislative body fails to make the required findings “every 30 days.” However, it expressly requires the timely re-approval of the findings “in order to continue to teleconference” in the manner that AB 361 authorizes.

As a result, if the Parks, Recreation & Cultural Arts Commission does not adopt the required findings every 30 days, then the Parks, Recreation & Cultural Arts Commission could be precluded from continuing to teleconference thereafter, perhaps even if the Parks, Recreation & Cultural Arts Commission was later willing to adopt the findings at a later date. For this reason, the City Attorney recommends that the [Parks, Recreation & Cultural Arts Commission adopt the required findings at this time and at least every 30 days thereafter, unless the Parks, Recreation & Cultural Arts Commission decides as a permanent matter that it will no longer permit teleconferencing at all (e.g., regardless of whether the state of emergency worsens).

Procedural Requirements for The Conduct of Teleconference Meetings

AB 361 contains several new requirements for the conduct of teleconference meetings with which the City has prepared to comply. Specifically, each meeting must:

1. Allow members of the public to attend and comment at the meeting via call-in option or internet-based service option;
2. Protect the statutory and constitutional rights of the parties and the public appearing before the legislative body;
3. In the event of disruption which prevents broadcasting the meeting or which prevents members of the public from offering public comments via the call-in or internet-based option, the Parks, Recreation & Cultural Arts Commission must take no further action until the disrupted public access is restored;
4. The City may not require public comments to be submitted in advance, and must offer the opportunity for the public to offer comments “in real time” during the meeting; and
5. The public must be allowed “a reasonable amount of time per agenda item to allow members of the public to provide public comment, including time for members of the public to register [to log into the teleconference], or otherwise be recognized for the purpose of providing public comment.

Subject: 2022 Summer Concert Series

SUMMARY

This report provides the Parks, Recreation & Cultural Arts Commission information on the revised format for the 2022 MemorialCare Miller Children's & Women's Hospital Long Beach Summer Concert Series.

RECOMMENDATION

Commission review and file.

BACKGROUND

The Music and Movies in the Park series was first held in the summer of 2010 as a replacement for the traditional Band in the Park event and Concerts on the Green. The City of Los Alamitos Recreation and Community Services Department annually held four (4) Music and Movies events during the summer months. This series of free events provided the community with an evening of activities including a live band or movie on select dates.

DISCUSSION

Due to the changing needs of the community, the Recreation & Community Services Department will be revising and expanding the format of the event series to go back to the original Summer Concert Series from 10+ years ago. Movie attendance has dropped in the last few years compared to the concerts. With movies requiring to begin later in the evening after dusk in summer months, it makes it difficult for families with young

children to attend. Along with changing the format, staff recommends changing the day of the week to a Thursday evening instead of Saturday. Other communities hold Thursday night concerts with very good attendance. Locally, the concerts will not compete with Rossmoor, Seal Beach or Cypress events. With MemorialCare Miller Children's & Women's Hospital Long Beach's expanded sponsorship, staff is able to double the dates to eight (8) summer dates.

The Recreation and Community Services Department, along with the Parks, Recreation, and Cultural Arts Commission, invites the community to attend the MemorialCare Miller Children's & Women's Hospital Long Beach expanded Summer Concert Series.

On dates featuring a live band, the concert will begin at 6:30 p.m. and conclude at 8:00 p.m. and guests can also enjoy vendors and food vendors.

This year the first set of four concerts will take place on Pine Street and be called "Concerts on Pine Street" on the following dates with the bands below:

- Thursday, June 16, 2022 on Pine Street – "Partywave" – Rock Cover Band
- Thursday, June 23, 2022 on Pine Street – "Woodie & the Longboards" – Beach Boys Tribute
- Thursday, June 30, 2022 on Pine Street – "Radio Royalty" – 80's Dance Band
- Thursday, July 14, 2022 on Pine Street – "Britain's Finest" – Beatle's Tribute Band

The second set of four concerts will take place alternating at Little Cottonwood Park and Orville R. Lewis Park on the following dates with the bands below:

- Thursday, July 21, 2022 at Little Cottonwood Park – "Brad Johnson & Killin Time Band" – Country
- Thursday, July 28, 2022 at Orville R. Lewis Park – "OC3 Band" – Classic Rock 70's, 80's and 90's
- Thursday, August 4, 2022 at Little Cottonwood Park – "Ortega Highway Band" – Southern Rock
- Thursday, August 11, 2022 at Orville R. Lewis Park – "Bierman Bros." – Variety 70s funk, etc.

Event information is subject to change based on COVID-19 guidelines in place at the time of the event.

FISCAL IMPACT

Funding for the event is provided by the Recreation and Community Services Department budget in the Special Events budget. MemorialCare Miller Children's & Women's Hospital Long Beach's sponsorship assists with offsetting the event budget. Funding from food trucks, vendors, and sponsors will further assist with offsetting the budget.

The carnival will feature the popular egg hunt, vendor booths, carnival games, bounce houses, arts and crafts, and a photo area with Peter Rabbit.

DISCUSSION

The Los Alamitos Recreation Department creates "Quality of Life" for residents by hosting programs and events that emphasize Community, Family, Education, Safety, and Health. Spring Carnival is one of the many events in which the Recreation staff coordinate to instill "Quality of Life" directly into the Los Alamitos community by bringing the community together, creating long lasting family memories, and to allow local businesses and nonprofits to be connected to residents. Approximately 2,500 people are expected to enjoy the annual Spring Carnival event at Little Cottonwood Park.

The Spring Carnival will have four egg hunt areas that will be divided according to age. The hunt area for ages 0-2 will begin at approximately 10:00 a.m., the hunt area for ages 3-5 will begin at approximately 10:10 a.m., the hunt area for ages 6-8 will begin at

approximately 10:20 a.m., and the hunt area for ages 9-12 will begin at approximately 10:30 a.m.

In each hunt area, a Golden Egg will be hidden and a special prize will be given to the child who finds it.

Other activities that will be available include: carnival game booths, face painting, balloon twisting, live entertainment by the band Sugar Lips, a photo area with Peter Rabbit, family games, inflatables, vendors and food trucks.

Parks, Recreation and Cultural Arts (PR&CA) Commissioners are invited and encouraged to participate in this year's event. Commissioners' volunteer duties will include being the emcee for the event and awarding the prizes to the winners. Below is the schedule that Commissioners are being requested for:

- Emcee – welcome community members to the event from 9:30 a.m.– Noon
- Start the four Egg Hunt areas beginning at 10:00 a.m. and hand out awards

PR&CA Commissioners interested in attending this year's Spring Carnival should contact Steve Kim at the Recreation and Community Services Department.

FISCAL IMPACT

Funding for the event is budgeted in the Special Events Division of the Recreation and Community Services Department. The Spring Carnival will also gain additional revenue from food trucks and vendors. MemorialCare Miller Children's & Women's Hospital Long Beach has agreed to sponsor the event as title sponsor. Their sponsorship will assist in offsetting the cost of the event.

AGENDA REPORT

MEETING DATE: March 2, 2022

Subject: Laurel Park Tennis Courts Renovation

SUMMARY

This report provides the Parks, Recreation & Cultural Arts Commission information on the proposed renovation of the Laurel Park Tennis Courts partially funded by the California Proposition 68, the Parks, Environment, and Water Bond.

RECOMMENDATION

Commission discuss and provide recommendations.

BACKGROUND

California Proposition 68, the Parks, Environment, and Water Bond, was on the ballot in California as a legislatively referred bond act on June 5, 2018 and received voter approval. The vote supported the measure to authorize \$4 billion in general obligation bonds for state and local parks, environmental protection projects, water infrastructure projects, and flood protection projects.

Staff applied for the Prop 68 grant and is receiving \$184,949 to go towards resurfacing and restriping of the Laurel Park Tennis Courts, convert one tennis court into four pickleball courts, replace fencing, add benches, lighting and trash cans.

DISCUSSION

The Parks, Recreation & Cultural Arts Commission is requested to review the proposed conceptual rendering of the Laurel Park Tennis Courts renovation. This is an opportunity to provide feedback prior to finalized plans for construction.

FISCAL IMPACT

A matching 20% is required for the per capita grant. Prop 68 funds account for a portion of the proposed project in the amount of \$184,949. The total proposed cost is

approximately \$1,000,000+. The cost for the project is a projected amount and will need to go out to formal RFP (Request for Proposals).

City Council will determine where the remaining funds will be allocated from.
