Carried 6/0 (Salai absent): The Traffic Commission approved the Regular Meeting Minutes of February 8, 2023 with the noted revisions.

7. STAFF REPORTS

A. Parkewood Neighborhood: Red Curb Painting

Chair Patz summarized the email from Commissioner Salai with regards to the request for red curb.

Development Services Director Noda summarized the email from a Parkewood resident expressing opposition to the red curb request.

The Planning Commission briefly discussed the concerns identified in the letter, and the noticing completed by the City, which advised residents of this upcoming item.

Resident and President of the Parkewood Neighborhood Homeowners Association (HOA) John Lang described the noticing the HOA provided to Parkewood residents about this request.

Chair Patz asked and received clarification from Mr. Lang about the communication efforts with the residents of the neighborhood about this request, identifying those 103 residents received notice of this request through the HOA's efforts.

Development Services Director Noda summarized the staff report.

Commissioner Marchese asked and received information from Mr. Lang concerning citations issued to vehicles parked in corners. Mr. Lang advised he is unaware of citations issued. Development Services Director Noda clarified that the City would be responsible for issuing citations for these types of violations, as the streets in that neighborhood are City property.

Commissioner D. Hill asked and received clarification from Sergeant Malatesta about the different types of curb painting options, as it relates to parking vehicles and establishing loading and unloading zones.

Development Services Director Noda provided a summary of the current line of sight and safety issues resulting in this request.

Mr. Lang described the dangerous conditions at night in the neighborhood from vehicles parking on the corners.

Commissioner R. Hill asked and received from Development Services Director Noda about the request and what would be added to the current condition under Exhibit A.

The Traffic Commission and Development Services Director discussed:

- Whether emergency vehicles would have sufficient clearance to pass through.
- Whether the current conditions are compliant, as they exist.
- The recommendations provided for this request.

Commissioner Mejia expressed a preference to receive a copy of the notice issued to the residents of Parkewood as part of the City's outreach.

Motion/Second: Murphy/D.Hill

Carried 6/0 (Salai absent): The Traffic Commission approved the recommendations for the red curb request identified in Exhibit A for the Parkewood neighborhood.

B. Traffic Commission Status Log

This is a tracking tool used by the Traffic Commission to track assignments and accomplishments.

Commissioner Mejia discussed item A36, and the growing safety hazards at that location. Development Services Director Noda provided information about phase two of the Pavement Marking Plan, identifying that it will include the restriping of areas in the proximity of Los Alamitos Boulevard and roadways in the Highland neighborhood.

The Traffic Commission and staff briefly discussed the upcoming Orange County Sewer District project, and the impacts it may pose to the timeline of the Pavement Marking Plan.

The Traffic Commission and the Development Services Director Noda briefly described the traffic signage conditions, which need to be revisited in the areas of Los Alamitos Boulevard and Katella Avenue, and Florista Street.

Development Services Director Noda briefly described the upcoming analysis of stripping and signage conditions in the area, and the upcoming project to improve street marking, signage, and education. Development Services provided information about the process for approval and implementation of the project.

The Traffic Commission discussed item E1 and identified that it should be moved to completed as the requestor is now deceased, therefore no action needed.

The Traffic Commission briefly discussed item E2 and requested a revision to clarify that this was requested by Commissioner Murphy.

8. FROM THE DEVELOPMENT SERVICES DEPARTMENT

Development Services Director Noda advised that there will be an item coming before the Traffic Commission in April, for a red curb painting request at the senior living facility on Katella Avenue by request of OCFA.

Extended an invitation to the Traffic Commission for the following events:

- Weekend of Art on March 17th and March 18th
- Spring Carnival in Cottonwood Park on April 8th
- Parklet Series on Pine Street in April

Development Services Director Noda provided information about the upcoming Southern California Edison (SCE) projects in five different locations in the City, with the Old Town West neighborhood as the first in line. City Engineer Kelley briefly described the scope of work for this project.

Development Services Director Noda encouraged the Traffic Commission to subscribe to the City's social media to stay up to date on upcoming projects and alerts.

Development Services Director Noda advised of the 605-freeway northbound ramp closure for repairs, which will include lane closures on March 9th.

Development Service Director Noda advised that staff is in the midst of the budget cycle, which will consider future CIP projects that include street infrastructure improvements.

Commissioner Mejia asked and received clarification from Development Services Director Noda stating that the City does not have a battery backup system at traffic signals.

9. TRAFFIC COMMISSION INITIATED BUSINESS

Commissioner R. Hill asked and received clarification from Development Director Noda about the neighborhood entrance sign program, stating that community outreach will commence in the summer.

Commissioner R. Hill asked and received clarification from Development Services Director Noda about the wheelchair accessibility challenges at Rossmoor Way and Bradbury due to the signal light poles, stating that it will be presented as part of the CIP budget discussion.

Commissioner D. Hill discussed the following:

- Expressed interest in receiving copies of traffic notices distributed.
- Thanked the Police Department for the opportunity to participate in a ride-a-long.
- Parking of construction vehicles in the public right-of-way during a project. Development Services Director Noda and Sergeant Malatesta clarified that it is permitted for these construction vehicles to park on the street during the day while construction is underway.

Commissioner Mejia advised that the decorative lights on Lexington Drive between Green Street and Farquhar Avenue are not lit.

Development Services Director Noda advised that the Banners of Honors are slated for removal on March 20th and briefly provided information about the non-profit organization which headed the implementation of this program.

Commissioner Patz closed the meeting in honor of resident Mary Ann Erdmann who passed away on March 8, 2023 at 4:30 a.m.

10. **ADJOURNMENT**

Motion/Second: D. Hill/Mejia

Carried 6/0 (Salai absent): The Traffic Commission unanimously voted to adjourn the meeting until March 8, 2023.

The Traffic Commission adjourned at 8:04 p.m.

TRAFFIC COMMISSION AGENDA REPORT

MEETING DATE: April 12, 2023

ITEM NUMBER: 6A

To: Chair D. Patz & Members of the Traffic Commission

Presented By: Ron Noda, Development Services Director

Subject: Red Curb Request: 3952 Katella Avenue (Katella Senior Living Community)

SUMMARY

Request from the Orange County Fire Authority (OCFA) to extend the red curb in front of 3952 Katella Avenue (Katella Senior Living Community).

RECOMMENDATION

1. Consider and discuss the extension of the red curb (Exhibit A) as requested by OCFA.
2. Provide directions for staff.

BACKGROUND

The City received a request from the Orange County Fire Authority (OCFA) to extend the red curb in front of Katella Senior Living Community located at 3952 Katella Avenue. Katella Senior Living Community hosts many elderly residents and the site requires frequent 9-1-1 services. OCFA's request is for the safety of their first responders and equipment and to not impede traffic flow on Katella Avenue.

DISCUSSION

Katella Senior Living Community is a skilled nursing facility that assists elderly patients. OCFA responds frequently to the facility and current practice is to park their vehicles in the traffic lane, therefore impeding traffic flow. This practice also poses a significant risk to their equipment and first responders. The image below depicts the area requested by OCFA, to extend the current twenty (20) feet of red curb to approximately forty (40) feet so their vehicles may safely park, increasing safety and reducing traffic flow.

The City's Traffic Engineer Farhad Iranitalab, has assessed the request and, based on his review, recommends the extension of the red curb.

FISCAL IMPACT

If approved, the City's Public Works Division will extend the recommended red curb as identified. Labor and supplies will be taken out of the Development Services Street Division budget.

Mr. Ron Noda
Development Services Director
Los Alamitos

Mr. Noda,

OCFA is requesting your support for firefighter safety. We request increasing the red zone space on Katella in front of the Alamitos West Skilled Nursing Facility at 3902 Katella Ave, Los Alamitos. Alamitos West hosts many elderly residents who frequently require 9-1-1 services. The current practice is to park in traffic lanes and impede traffic flow. Cars are often seen not slowing down and passing our firefighters at unsafe speeds. This increased space provides the firefighters parking space off Katella, out of the traffic, and close to their access to the facility during 9-1-1 responses. It increases safety for themselves and the patients being loaded into the ambulance while reducing traffic disruption and minimizing the potential for accidents.

I am available to discuss this anytime should you have further questions.

Respectfully,

Craig Covey, Division Chief
OCFA Division 1
